PS LAW POH ING

When the technology of cryonics first emerged, an American psychologist, James Hiram Bedford (1893-1967), who was suffering from kidney cancer, could not accept the idea of dying. He donated \$100,000 to the Cryonics Institute and made a will, requesting that his body be frozen and preserved after death. As a result, he became the first person in the world to be cryonically preserved. According to the original plan, he was meant to be revived in 2017, but he did not wake up, and he remains in a state of "deep sleep" to this day.

Dear brothers and sisters, the technology of cryonics aims to revive or resurrect a damaged human body. In other words, it offers the hope of changing one's fate and achieving immortality, avoiding death. However, the reality is that no one can overcome death, unless they are willing to repent of their sins and accept Jesus Christ—who has already risen from the dead—as their Saviour. Jesus declared, *"I am the resurrection and the life. The one who believes in me will live, even though they die."* (John 11:25).

Those brothers and sisters who have already passed away in Christ will also be resurrected. As Paul wrote: *"Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him."* (1 Thessalonians 4:13-14).

What are some things we can do in our daily lives as believers for long-term healthy living? How can we develop the daily and weekly physical, mental and spiritual habits that contribute to better mental health? What ageless wisdom does Jesus offer us in the middle of our busy lives?

In this second part, it will be a practical workshop that gives us the opportunity to discover and develop some of these healthy habits, rhythms, and practices that will help improve our wellbeing and that of those

around us. We are so privileged to have our friends Yu Khing and Michelle come to share professional, personal and biblical insights that will help us. Come ready to learn and grow together!

kum yan prayer agenda

For the World

1. Pray for God's light to shine upon Israel and bring peace to the land. May any dark forces that seek to destroy it be defeated, so that God's people may find rest and security.

For Singapore

1. Give thanks for the many churches in Singapore. Pray that God will raise up His church, unite us all, and help us fulfil our duties and mission as priests in this land. May we actively intercede for the nation and watch over it in prayer.
2. Pray for Singapore's general elections this year. Remember the selection of candidates, the electoral process, communication and media coverage of the elections, the mindset and will of the voters, as well as the campaigning and voting days. Ask the Lord to protect Singapore and to use the nation mightily for His purposes.

For Kum Yan Church

1. Pray for the Kum Yan Family Camp in 2025. Remember the organising committee and the speakers, and pray that brothers and sisters' leave applications will be approved. Let us look forward to how God will build and strengthen our church through the camp.
2. Pray for the new session of the Chinese Alpha Course, starting in March, organised by the Mandarin congregation. Ask the Lord to unite brothers and sisters, that they may work together with one heart to bring their family and friends to know God.
3. Thank the Lord that Kum Yan Church will soon celebrate its 107th anniversary. As a church with a rich history, may the Lord reveal His heart and His purpose for us in this new season.
