From the Pastor's Heart

I still remember a Chinese saying written in large characters on my classroom wall when I was in Primary One: "It takes ten years to grow a tree, but a hundred years to nurture a person."

The saying reminds us that developing a person's character and potential takes time. It requires patience, commitment and consistent effort.

The same is true of our spiritual lives. Just as a tree needs time to take root, grow and bear fruit, our faith needs ongoing care and nurturing. We also need to be willing to learn, persevere and be strengthened through life's challenges.

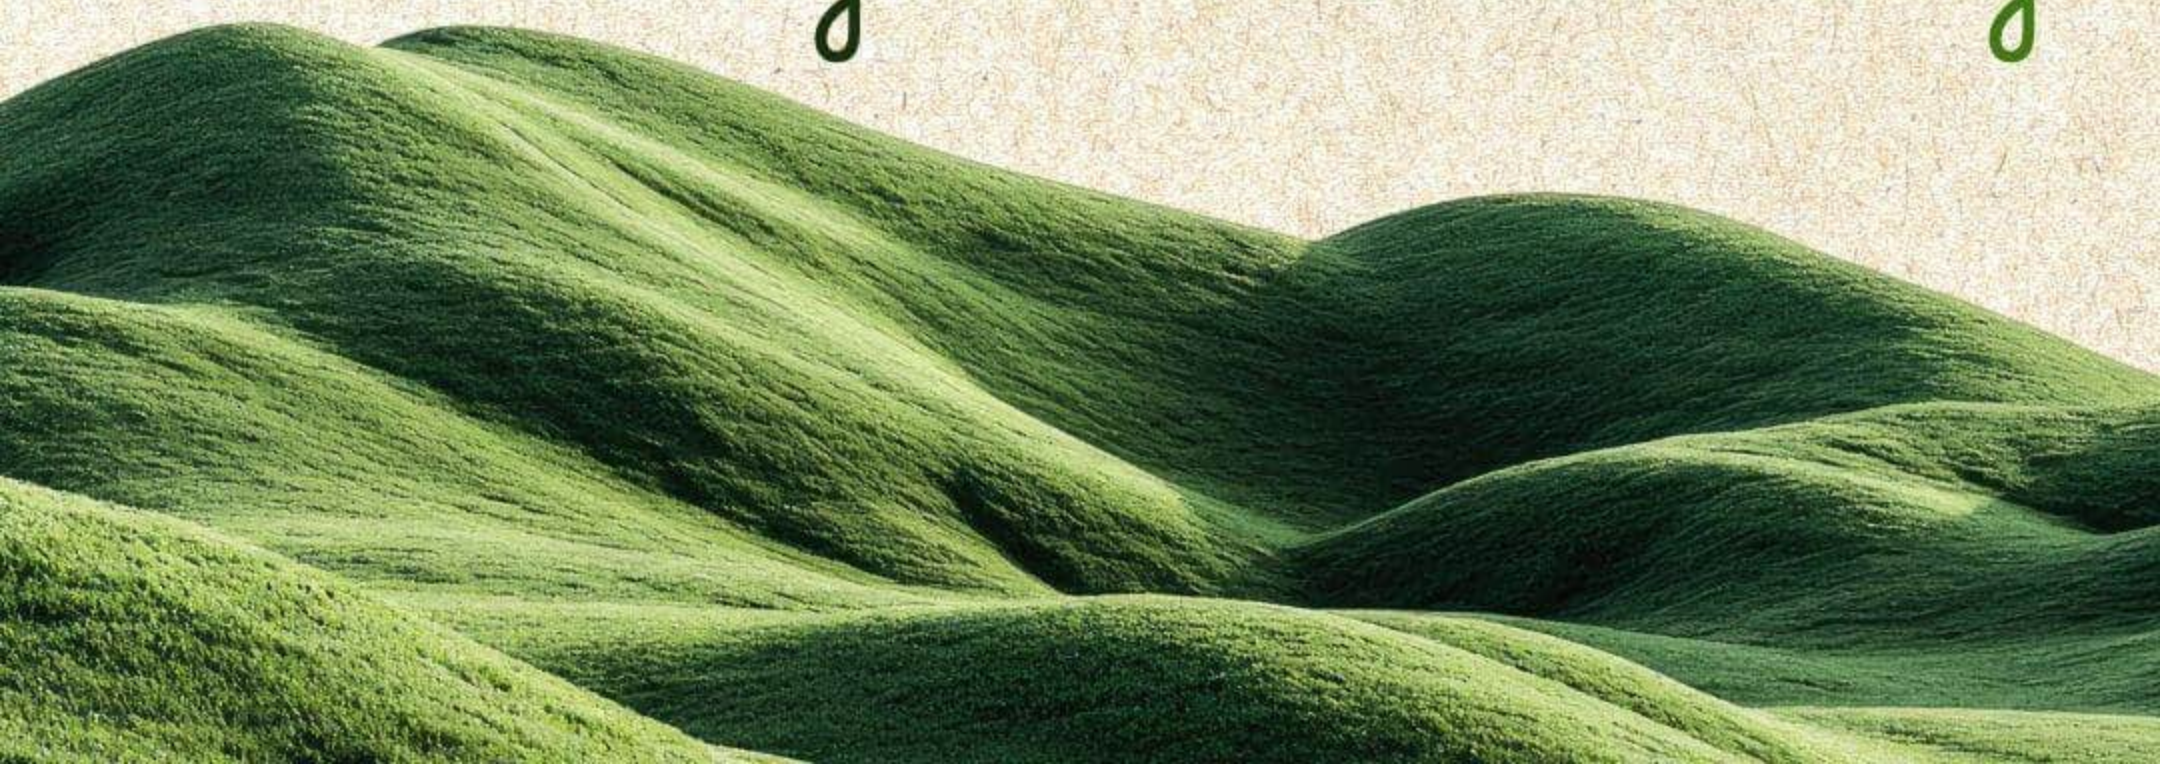

Regular spiritual disciplines such as Bible reading, prayer, personal devotion, reflection, fasting, repentance and worship help us deepen our roots and build a firm foundation in Christ. As we learn to trust and obey God, and persevere through difficulties, we gradually become more like Jesus and a blessing to those around us.

Dear brothers and sisters, what spiritual disciplines are helping you stay rooted in your faith? When challenges come your way, what do you need to learn to face them? And what kind of fruit do you hope to see in your life?

The Apostle Peter reminds us in 2 Peter 1:5–7: "For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, mutual affection; and to mutual affection, love."

May we continue to grow strong in our faith, become more like Christ and bear fruit that blesses others.

MEN, SEX & INTEGRITY
Saturday 21 Nov 2026, 830AM - 1030AM, KYdZ Haven (L5)

In a world where sex is 'everywhere' on social media, entertainment and even in our private thoughts, we may face sexual temptations and struggles that are not always easy to talk about. Join us at our Men's Ministry meeting for an honest conversation about this, and to support one another as we discover what it means to live out God's design for sexuality.

DISCIPLING THE GENERATIONS:

ALIGN ACCEPT APPOINTED

51st SESSION OF THE CHINESE ANNUAL CONFERENCE
9 NOV - 12 NOV 2026

The 51st session of the Chinese Annual Conference concluded on 12 Nov. We thank God for leading the President, pastors and lay delegates as we met, prayed and fellowshipped with one another.

The opening service was a time of gathering the people in worship and prayer. Following the rhythm of ALIGN, ACCEPT, APPOINTED, we gathered in the posture of prayer for personal and corporate renewal.

Continuing our theme of "Discipling the Generations", we held two plenary sessions focused on discipling the different age-groups and the sub-theme of prayerful dependence. This year, there was a greater focus on the CAC Statistics Report, contrasting our statistics against national averages.

The Conference has elected a new Vice-President, Dr Dominique Phang from Sengkang Methodist Church. We express our thanks to the previous Vice-President, Mr Stephen Yeo from Bukit Panjang Methodist Church for his service. During the Ordination, Retirement, Appointment and Closing Service, Rev Tham Wen Chen and Rev Esther Yek were ordained as deacons and Rev Michael Lee was ordained as elder. Six pastors, entered into retirement: Rev Peter Soh, Rev Boey Kok Yeow, Rev Cassandra Lee, Rev Dr Goh Nai Lat, Rev Tan-Yeo Lay Suan and Rev Ng Beng Keow.

Brothers and Sisters of CAC, together as One Body, let's continue to disciple the generations, prayerfully depending on God for such a time as this.

The CAC appointments for next year for Kum Yan Methodist Church:

- Rev Edmund Koh - District Superintendent
- Rev Stefanie Oh - Pastor-in-Charge
- Rev Tham Wen Chen - Assistant Pastor
- Rev Dr Wilfred Ho – Attachment

Kum Yan Reno 2026
Final Update

Dear KY family, we're glad to report that we are nearing the end of our renovations - the end is in sight! However, as the final stretch of the renovations is happening, some remedial and "touch up" works have had to be carried out which has now caused our timeline to be further extended till end-November.

In addition, the painting of the L7 Court material over the surface will require a 21-28 day period to ensure that the "cure"-ing of the paintworks is carried out well. Depending on when this painting can begin, the end date of this project will be updated accordingly. Currently, the estimated end-date is the first week of December.

KY family, let's continue to pray over the completion of this much-needed renovation project of our church building. As the Lord has blessed us and led us faithfully, we certainly can trust in His perfect will! May God continue to bless Kum Yan to be a blessing!
