What is the  
central verse  
of Psalm 57?

A large, dark silhouette of a cross stands prominently on the left side of the frame. The background features a dramatic sunset with a bright sun low on the horizon, casting a warm orange and yellow glow across the sky. Below the horizon, the silhouettes of a city skyline are visible, including several tall buildings. The overall scene is serene and evocative, with the cross symbolizing faith and the sunset symbolizing the end of a day or a period of reflection.
